2009-2010 School Year

Dear Community Members and Friends of Skyview High School Choir and Orchestra Programs,

We are preparing for the beginning of a new school year and the Skyview High School Choirs & Orchestra are poised for an exciting new concert season. In addition to the five public concerts presented annually at Skyview High School, the choirs perform at various community events providing art and music for the members of the Vancouver, Washington community. Through these performances, Skyview Choir students demonstrate the skills learned and developed in their music classes: the teamwork, dedication, and attention to detail that is required to create a finished work with high production value. The Skyview Choirs have received regional and statewide awards and recognition for their commitment to choral excellence and community involvement.

The Skyview Vocal Music Parents Association (SVMPA) is a non-profit parent booster group whose goal is to support the Skyview Choirs and their Director, Mr. Philip Denton, in all of their activities. Through fundraising and community support, the SVMPA keeps the choirs supplied with the many things necessary to keep the program functioning at a respectable and competitive level. In addition to sheet music and concert uniforms, the SVMPA assists with registration fees and travel costs for the many competitions the choirs will participate in this year, such as the Clark, Clackamas, and CBC Jazz Festivals to name just a few.

At this time, we are seeking Business and Community support for our Fifth Annual Dinner Auction at the Heathman Lodge in Vancouver on Saturday, November 14, 2009. We would like you to consider the contribution of an item(s) for auction, a cash donation to support the choirs, or sponsoring costs associated with the Dinner Auction or other choir needs. Regardless of the type of donation you make, your generous gift goes beyond stage attire, transportation, or sheet music to impact the lives and dreams of your young people. With the support of community members and friends such as you, the Skyview Choir Program and Orchestra move beyond the school day and brings great opportunities for our students to mature and find success in many aspects of life. The SVMPA, along with the Skyview High School Choristers, offers you our deepest thanks and appreciation for your continued support.

Sincerely,

Skyview High School Vocal Music Parent Association
